Director's Biography : Aurélia Mengin, who is the first Reunionese women to direct a feature, has won multiple international awards. Her sensual phantasmagorical universe is instinctive and very aesthetic. After directing 8 short films, she directed her first feature film *Fornacis* in 2018: which achieved a breathtaking worldwide success with more than 30 official selections and 9 prestigious awards. In 2020, *Fornacis* was release on Amazon Prime UK. In May, Aurélia began with the post-production of her 2nd feature film *Scarlet Blue*.
