Cast : Toktosun Arzygulov, Gulayum Kanimetova

Synopsis : At the house of an elderly childless couple, about seventy years old, with poor health, living in a small village, unknown people leave a six-month old baby. The old couple go to hand over the child to the authorities. But hearing young children are being sold for organs, they decide to keep the child with themselves. Nurturing a baby changes the lives of older people. They have a revived interest in life.
