Synopsis : A feature length documentary on noted danseuse and actor, Bhanumati Rao, *Oh That's Bhanu* takes the viewer on a journey through a life extraordinaire. Filmmaker R V Ramani, whose project earned him the prize for Best Direction (Non-Feature Film category) at the 68th National Film Awards, recorded extensive filming sessions with the nonagenarian in Delhi and Bangalore, as she divided her time between her two daughters. She suffers from loss of memory and hearing, but what comes to the fore are her sense of humour and joyful spirit.

Director's Biography : R.V. Ramani (b: 1957) is one of the leading documentary filmmakers in India, known for *Hindustan Hamara* (2014) and *Santhal Family to Mill Recall* (2017). He prefers "making impressionistic subjective documentaries, as innovative experiences exploring various aspects of expression." Ramani is also an acclaimed cinematographer.
