Synopsis : Opera diva Sofia Mayer returns to Russia after years of emigration. The singer intends to stage Tchaikovsky's 'Queen of Spades' in the opera where she once made her will to be famous. Young singer of the same troupe, Andrey, also dreams of fame and money. 'Queen of Spades' is a chance for him to reach his goals. He won't stop without grabbing the part of Herman. Sofia, who has kept the part of the Countess for herself, guesses it. The opera diva starts a cruel game that will involve everyone participating in the play.
