Synopsis : Three road trippers in Northern Australia are thrust into peril when they accept assistance from a kind local in this terrifying, fact-based tale. Three friends in their twenties, Kristy, Ben, and Liz, decide to trek across the picturesque Wolf Creek National Park in the Australian Outback. When they discover that their car would not start, they run across Mick Taylor, a local bushman, things get complicated.

Director's Biography : Greg McLean is an Australian writer, producer, and director. His first feature picture, *Wolf Creek*, released in 2005, gained international recognition. *Wolf Creek 2*, the eagerly anticipated follow-up to his first film, debuted in February 2013. In addition, McLean executive produced *Red Hill* (2010) and *Crawlspace* (2012) and wrote, directed, and produced *Rogue* (2007).
